

WHS Peer Chamber Driving Permission Slip

Dear Parents and Guardians,

As part of our Peer Chamber organization, students may have the opportunity to attend a monthly Chamber luncheon or a Young Professional Lunch and Learn. These luncheons are often held at the Columbian Theatre or a Chamber business locally in town. These luncheons only take place once a month and only 8-10 members can attend at one time. Due to Covid 19, we would prefer students to have minimal time in a vehicle with other students or sponsors and therefore be able to drive him or herself to the Chamber luncheons. Peer Chamber members will be expected to drive directly to the Chamber event and return immediately to the high school when over.

If you have no objection to your student leaving campus and driving to the Chamber event, please indicate by signing the space provided and have your son or daughter return to Mrs. Lindley.
